

Safe Travel with Dr. Richard

This is how we protect you.

Your health is our top priority. We take care of the **maximum protection for all passengers and employees** with the help of the following measures:

The 3G rule (recovered, tested or vaccinated) applies on the bus.

No mask requirement
due to the 3G rule

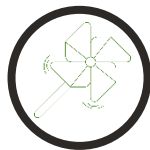

The same seat
for each guest
during the entire journey

Free disinfectant
on board

At least 2 meters distance
when getting on/off
& loading luggage

Sufficient breaks
to ventilate

Regular bus cleaning
of all critical contact points

Book now and travel safely:
